A Bill To Overhaul Criminal Reform

Be it enacted,

BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED THAT:

SECTION 1. In an effort to reduce crime rates, more funding for new systems of criminal reform, including but not limited to restorative justice will be implemented throughout the country. The government will provide preliminary funding and the rest will be done by the state prisons and judiciary systems.

Preliminary funding is just a small amount of money put forth to start up a program. To implement in this case means to expand access, not mandate.
